

INTERNATIONAL RESIDENCY EXECUTIVE EDUCATION PROGRAMMES 2023

by ABS in collaboration with world leading business schools

The **ASIAN BANKING SCHOOL (ABS)** is dedicated to developing talent and is the largest specialised provider of quality banking training programmes in the ASEAN region. As the industry's preferred partner in learning and development, ABS offers customised and open enrolment training programmes that cover a comprehensive list of banking areas developed by its Specialist Training Consultancy Team or in collaboration with strategic learning partners that includes some of the top business schools in the world. This includes its Executive Education programmes with Bayes Business School (formerly Cass) in London, the University of Cambridge Judge Business School, Frankfurt School of Finance and Management, INSEAD, the University of Edinburgh Business School, Bologna Business School in Italy, Bangor Business School in Wales and ESSEC Business School in Paris.

- These Executive Education programmes are approved or are pending approval by HRD Corp. With this, employers can claim up to 100% of the programme fee, airfare, accommodation and daily allowance.
- These Executive Education programmes are STF Credit claimable by qualifying Malaysian banks and would be considered as part of the bank's utilisation of 10% of its STF Credit balances that must at least be allocated for ABS's Executive Education programmes. The bank's STF Credits can be utilised to claim for the programme fee, roundtrip airfare, and accommodation (when not included).

For more details on the programmes or if you would like a copy of the brochures, please visit our website or contact us at:

EMERGING BANKING LEADERS PROGRAMME: PREPARING FUTURE LEADERS FOR A DIGITAL WORLD

Based in the heart of Edinburgh, this programme will prepare future banking leaders for the ongoing digital changes in the banking industry. Designed specifically for high potential talent on a fast track to a leadership position from banking and finance-related institutions, the programme will cover topics such as the current digital landscape, regulatory issues in the context of technological innovation, the use of data science in banks, practical issues involving FinTech as well as discussions around how to inspire and enable change in a digital era. Led by academics, practitioners and industry experts, the programme will include case studies, examples from the industry as well as ample opportunities for discussion and application in practice. *The Emerging Banking Leaders Programme* is organised by the Asian Banking School in collaboration with the University of Edinburgh Business School.
